## Forum of Medical Device Clinical Trial

MEDTECH FAIR 2015

April 9(Thur), 13:00 ~ 17:30 / Hall E5

This Forum brings comprehensive discussions on hot topics trend related to medical device clinical trial and offers an opportunity for the gathering and integration of medical device companies, government, scholars and researchers to share each others' exciting and stimulating ideas. The aim of this forum is the activation of the medical device clinical trial and for clinicians to discuss each other's specialties to advance research in medical device clinical trial.

---

13:00 ~ 14:00 **Registration**

---

14:00 ~ 14:10 **Greeting**  
**Kyu Sung Lee**, Korea Medical Device Clinical Trials Study Group, Korea

---

14:00 ~ 14:10 **Congratulating**  
 Korea Health Industry Development Institute, Korea

### SESSION 1. PREPARATION FOR EXPLORATORY TRIALS CONDUCTED IN THE DEVELOPMENT STAGE

**SESSION CHAIR** **Jong Gwan Park**, Professor, Chonbuk National University Hospital

---

14:10 ~ 14:45 **Considerations of Preparation of Clinical Trials Conducted in the Development Stage of Medical Device Items (when Exploratory Trials are Conducted)**  
**Jin Baek Jung**, Ministry of Food and Drug Safety, Korea

---

14:45 ~ 15:20 **Required Level of Performance Testing Data of Investigational Medical Device**  
**Seong Yong Park**, Director, Korea Testing Laboratory, Korea

---

15:20 ~ 15:40 Q & A

---

15:40 ~ 15:50 Session Break

### SESSION 2. CASE STUDIES OF MEDICAL DEVICE CLINICAL TRIALS CONDUCTED

**SESSION CHAIRS** **Seok Joong Yong**, Professor, Wonju Severance Christian Hospital  
**Young Min Park**, Professor, The Catholic University of Korea Seoul St. Mary's Hospital

---

15:50 ~ 16:15 **Clinical Trial Case Study 1**  
**Jung Min Chang**, Professor, Seoul National University Hospital, Korea

---

16:15 ~ 16:40 **Clinical Trial Case Study 2**  
**Youn Soo Park**, Professor, Samsung Medical Center, Korea

---

16:40 ~ 17:05 **Clinical Trial Case Study 3**  
**Kidong Kim**, Professor, Seoul National University Bundang Hospital, Korea

---

17:05 ~ 17:25 Q & A

---

17:25 ~ 17:30 **Closing**  
**Kyu Sung Lee**, Korea Medical Device Clinical Trials Study Group, Korea

---
